Dear Principal

RE: INVITATION: SPELLING BEE: GRADE 6 & 7

We would like to take this opportunity to invite your esteemed school and students to participate in our Spelling Bee competition, hosted by SACEE, Pretoria branch, on 2 August 2025.

The South African Council for English Education is a NPO (007698NPO) whose main objective is not only to maintain, promote and encourage education through the English medium to improve the standards of written and spoken English, but also to support the teaching learning and appreciation of English.

Spelling, the art of correctly assembling words from their letters, is one of the key components of successful writing. Being confident in spelling leads to confidence in all aspects of literacy and equips learners with the necessary language tools to better communicate their ideas through both written and verbal communication.

We would therefore like to invite you to become a prestigious member of SACEE-Pretoria and in doing so, enjoy free entry into our Spelling Bee competition. Corporate sponsors have very generously donated prizes for the event, which will be hosted in both English FAL and English HL. The top 5 spellers in each category (English FAL and English HL) will be eligible to partake in the competition.

We have attached a membership enrollment form for your completion together with the banking details for SACEE. Once we have received proof of payment, an electronic link will be sent to your school for completion, together with the list of spelling words for the competition.

We have invited approximately 25 schools to partake. The two categories (English HL and English FAL) will run concurrently on the day of the competition. It promises to be a fun-filled day for the whole family with food stalls, refreshment stall and book sales available on the day of the competition. Come and enjoy the fun and network with the schools in your area!
